SKILLS

ReactJS, NextJS, Javascript, Typescript, Styled Component, Chakra UI, Tailwind Css, CSS, GIT, GITHUB

EXPERIENCE

May 2023 - December2023
Tanta Innovative Limited - *frontend Developer*

- Collaborated with a team to develop a comprehensive web application using Next.js and Chakra UI frameworks..
- Independently designed and built multiple pages from scratch, showcasing individual contribution and expertise in front-end development.
- Utilized styled components to maintain a consistent and visually appealing design throughout the application..
- Implemented JavaScript to consume APIs and dynamically fetch and display data, enhancing the functionality and user experience.
- Demonstrated effective teamwork and communication skills while collaborating with teammates to ensure a cohesive and seamless web application.

Sept 2022-June 2023

Nupat Technologies - *Front End Developer Student Intern*

- Coded using HTML, CSS, JavaScript and ReactJS to develop features for both mobile and desktop platforms.
- Teamed on user-centric design strategy in translation of UX and business requirements into coded solutions.
- Researched emerging web technologies and trends for possible incorporation into sites.
- Designed and updated layouts to meet usability and performance requirements.
